

Vietnam's No.1 Electric Power & Energy Specialized Exhibition

ELECS VIETNAM 2026

July 15-17, 2026
SECC, Ho Chi Minh City, Vietnam

Organizer   **KEPCO** 

Event Overview & Exhibits

ELECS VIETNAM 2026

Date	July, 15-17, 2026
Venue	SECC, Ho Chi Minh City, Vietnam
Organizer	  
Event	Business Meeting, Electric Power Industry Conference, Gala Dinner, etc.
Co-located	VIETNAM ETE 2026 (International Exhibition on Electrical Technology & Equipment 2026)

Exhibition Categories

Transmission & Distribution

Transformers and Components (Power distribution transformers, bushings, insulators)
Switching and Protection Devices (Circuit breakers, switchgear, protective relays, SPD)
Power Cables (High-voltage/low-voltage cables, optical cables)
HVDC & Automation Systems (Substation facilities, SCADA, remote control and monitoring)
Testing and Measuring Equipment (Power quality analyzers, insulation testers, measuring instruments)
Other Electrical Components (Insulators, connectors, etc.)

Power Generation

Power Generation Facilities (Nuclear, SMR, thermal, gas turbine, boiler)
Control Systems (Power plant operation software, automation control)
Safety and Diagnostic Equipment (Condition monitoring, sensors, maintenance systems)
Auxiliary Equipment (Plant auxiliary devices, cooling and feedwater systems)
Other Power Plant Equipment (Pumps, valves, gears, fittings, etc.)

Renewable Energy

Solar Power (Modules, inverters, structures)
Wind Power (Turbines, blades, towers, gearboxes)
Hydrogen (Production, storage, transport, fuel cells)
Hydro & Marine Energy (Hydropower, tidal, wave, and thermal energy)
ESS (Battery systems, BMS, PCS-EMS)

Smart Power Grid

Smart Grids (Automation, AMI, power IT systems)
Distributed Energy (DR, VPP, SMR, renewable energy integration)
EV Infrastructure (Charging networks, power linkage solutions)

Energy Efficiency

LED Lighting (Smart lighting, lighting control systems)
High-Efficiency Devices (Energy-saving motors, high-efficiency transformers)
Resource Recycling (Waste recycling, energy upcycling technologies)

Data Center Power Infrastructure

Power Supply Systems (UPS, PDU, ESS)
Cooling & Thermal Management Systems (Liquid cooling, air cooling, integrated thermal management)
Management & Operation Systems (EMS/BMS, DCIM, real-time monitoring)
DC Power Solutions (High-efficiency DC systems, energy-saving technologies)
Security & Safety Systems (Fire suppression, electromagnetic shielding)

2025 Show Result & ELECS Programs

2025 Show Result

118 Companies
192 Booths

24 Countries
15,070 Visitors

738
Business Meetings

\$205.6 triệu đô
in Business
Discussions

\$80.8 triệu đô
in Signed Contracts

ELECS Special Programs

- Gala Dinner
- ELECS Technical Conference
- Buyers Business Meetings
- Export Contract & MOU Signing Ceremony
- Korea–Vietnam Technology Exchange Meeting
- Industrial Tour

Business Meetings

**Vietnam Local Companies
& Overseas Buyers
Business Meetings**

Dates July 15 (Wed) – 17 (Fri)
Location Exhibitor's Booth
Scale 100 Exhibitor Companies,
50 Overseas Buyers
Sectors T & D, Power Generation,
Nuclear Power, ESS, etc

Major Exhibitors at ELECS

Why Vietnam?

Increased power consumption due to high economic growth

The annual increase in electricity consumption for 10 years from 2010('10-'20) is 9.7%, recording a long-term high increase.

Year	GDP (\$billion)	GDP Growth rate (%)	GDP per capita (\$)
2019	334	7.2	3,491
2020	346	2.9	3,586
2021	366	2.6	3,760
2022	410	8.1	4,179
2023	429	5.0	4,347
2024	4,796	7.1	4,700

Nguồn: WorldBank

Expansion of the Vietnam Government's Investment

320 billion dollars scale Investment in the Electricity & Energy Industry until 2045

- **Power plant capacity** → Expected to expand 80.0GW (2023) to 276.6GW (2045)
- **Power generation** → Expected to increase 276.4TWh (2023) to 877.1TWh (2045)

Vietnam Power Development Plan VIII (2021-2045)

Power transmission grid project

Item	Unit	2021-2025	2026-2030	2031-2035	2036-2040	2041-2045
Đường dây 500kV	km	6,149	6,044	4,421	1,269	259
Đường dây 220kV	km	16,012	4,946	2,406	1,116	762
Trạm 500kV	MVA	51,150	35,100	40,800	33,600	29,100
Trạm 220kV	MVA	56,812	38,813	43,000	34,000	31,375

Why ELECS?

01

Vietnam's Leading Electric Power & Energy Specialized Trade Show

Since its inception in 2019, ELECS has established itself as the most effective exhibition for global companies seeking to enter the ever-promising Vietnamese energy market.

02

Professional Global Exhibition Organizer Meets Industry Experts

Over 15 years of organizing overseas exhibitions, Coex specializes in emerging markets such as Vietnam. A platform for global networking, ELECS is organized by Coex in partnership with the Korea Electrical Manufacturers Association.

03

The Best Way to Meet Your ASEAN Prospects

Coex's Vietnam office, established in 2009, manages over 100,000 customer databases. Additionally, Coex actively collaborates with local and overseas trade agencies, chambers of commerce, and energy industry associations to attract quality buyers.

04

Extend Your Market Reach Beyond the Exhibition

ELECS is part of our portfolio of power and energy exhibitions including ELECS KOREA, EV Trend Korea, and Interbattery. You can benefit from the integrated marketing services offered by the family exhibitions.

Participation Guidelines

How To Apply

SUBMIT APPLICATION

Early-bird: ~ February 28, 2026 ➤
 General: ~ May 31, 2026

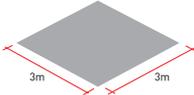

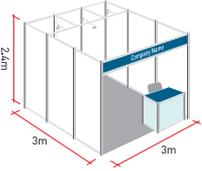

SEND PAYMENT

Payment Deadline: ➤
 ~ May 31, 2026

OPENING

ELECS VIETNAM 2026
 July 15-17, 2026

Booth Details & Participation Fee

CATEGORY	SPACE ONLY	STANDARD	PREMIUM
Booth type			
Specification	<ul style="list-style-type: none"> - Unit: 3mx3m/Booth without additional facilities - Additional facilities should be applied separately if necessary *2 booths or more 	<ul style="list-style-type: none"> - Unit: 3mx3m/Booth - Specifications: • Company signboard • Carpet flooring and trash bin • 1 Information desk with 1 chair • 2 Fluorescent light • 1 Power outlet 5A/220V 	<ul style="list-style-type: none"> - Unit: 3mx3m/Booth - Specifications: • Same as Standard booth • Specialized Premium Booth Design with Premium Material *2 booths or more
Early-bird (~February 28, 2026)	\$3,000	\$3,300	\$4,300
General (~ May 31, 2026)	\$3,200	\$3,500	\$4,600
